

For another century the history of Newborough Church is at present a blank, but in 1535 Galfridus Ruthyn was rector of it.¹ In April of the following year (1536) Edward Griffith, William ap Robert ap Meredith, Edmund Lloyd ap Robert, John ap Robert ap Howell and David ap Robert ap Howell were granted the privilege of presenting the next rector to St. Peter's Church, Newborough.² He was probably Hugh ap Robert - also Rector of Dolgelly and afterwards a bishop - who had Robert ap Hugh as his successor on June 9, 1554. Edmund Griffith, M.A., was presented to the living on May 29, 1596, and on his resignation Robert White, M.A. (and afterwards D.D.) became rector in June 1610.³ He was succeeded in August, 1660 by John Davies, M.A., and Hugh Griffith, M.A. was appointed in September 1695, followed on his decease by Robert Humphreys, M.A., a Merioneth man. When the latter resigned in 1705, Evan Jones, M.A. of Clynnog became rector on June 14 of the same year, and with his death William Williams, M.A., of Quirt secured the living in March 1722; he became also vicar of Carnarvon.⁴ From his time to the present date (1918) the list of rectors is complete and is to be found in the Parish Registers of Newborough (see pp. 178-80).

The oldest Terrier of St. Peter's Church is dated June 11, 1722; subsequent transcripts of this were made on June 28, 1742 (see below), July 1776, July 203 1811, August 8, 1814, September 9, 1817, September 17, 1821, September 26, 1826, August 31, 1831, and September 12, 1834. The following is a copy of the only transcript of the church Terrier found in the Churchwarden's Accounts :-

(Letter addressed to) “Richd Solomon, at Newborough”:-

Richd Solomon,

I hope Mr. E. Evans was able to come with you to Newbro tell him to sett the Tithes to safe men, if R. Parry is not able to pay what is now due, he must not have any Tithes, and he must be immediately proceeded against, as he hath no effects in hand - tell Mr. E. Evans that Morris Owen was here this morning, telling me a foolish reason that he cannot pay, because Mrs. Williams of Llangadwaladr does not pay him, the money hath been so long due to me, and he hath broken his promise so often, tell Mr. E. Evans to loose no time in recovering the money, and likewise the other Defaulters at Newbro, take care that you get no bad notes, tell Mr. E. Evans to sett the Tithes as he thinks best, I shall employ him for the future at Newbro to manage The Tithes.

Yours,

H. R.

Give the Bidders plenty of Ale, and keep the rabble away. You must have my Tithe Book, I cannot find it, there is only one Parcel with R. Parry.

Carnarvon. 23 July 1823.

I do hereby give up my taking of the small Tythes of the parish of Llanbeder Newborough to the Reverend Mr. Rowlands and authorize him to receive all money due to me for the same, and to give receipt for the same & also to take possession of the wool I have now at the Sign of the hare at Newborough.

The mark of

Richard Parry.

Witness E. Evans.

Mr. E. Evans,

The Defaulter Richd Parry is now here, it apperes, by *his* account, that he hath made away with most of the Tithe money the amount of the money due to him being only £8 9s. he therefore must give a very unjust account, as he owes me at this time £44, which shews clearly that he acted very unjustly towards me - & therefore I am not inclined to spare him, he went to Liverpool and hath bought some Barley with my

Tithe money - he says about 2 Quarters, but I am induced to think he has bought a much greater quantity. Richd brings him to you, with direction that you are to proceed against him - if he does not accede to the following terms, that he is to confess the amount of the debt, and that he will give up all the money that is due to him for the purpose of discharging the debt he owes me, and that he will give security for the remainder to be paid at a given time. he is likewise to promise that he will give up all the Barley that he bought at Liverpool, & which is now in a vessel coming to Carnarvon - he is likewise a Taker of the small Tithes, & which are not yet collected; he must give them up - the account that he gives appears to me to be so imperfect, that I suspect very strongly his honesty, and therefore he ought to be punished, by way of an example to others.

I am truly yours

H. Rowlands.

Plasgwyn. July 23, 1823.

You will examine him very closely, in regard to ascertain whether there is any more money due to him. I think there is.

Reverend Sir,

I have had Richard Parry here he has confessed Judgment to you for £36 4 3 which with the Debts amounting to £8 9 given up, make £44 13 3 the amount of your

Debt and E. Evans's costs for preparing the securities. he has also given up the small Tythe but refused to give;np the Barley he has coming1from Liverpool. Indeed I think it would be a bad policy in taking all from him at once as by leaving a tithe in his possession he may set on & pay all. I have questioned him much as to the Debts owing. he states he has no debts now to give up but promises to pay you every penny.

Cognovit.

County of Anglesey For the Reverend Henry Rowlands
(to wit) Clerk - plaintiff In a plea of debt
Richard Parry – Yeoman - Defendant of Forty pounds.

And whereupon the said Plaintiff by Evan Evans his Attorney complains For that whereas the said Defendant in the seventeenth day of July in the year of our Lord One Thousand Eight Hundred and twenty three at Beaumaris in the said County, did grant himself to pay unto the said Plaintiff the sum of Forty pounds of lawful money of the United Ringdom of Great Britain and Ireland, current in Great Britain to be paid unto the said Plaintiff, whenever he should be thereunto afterwards requested. Nevertheless the said Defendant although often requested the said sum of Forty Pounds to the said Plaintiff, hath not as yet paid but the same to pay him hath hitherto altogether refused and still doth refuse. Wherefore, the said Plaintiff saith he is injured and hath sustained damage to the value of Forty pounds.

And therefore he brings suit and so forth,
Pledges to prosecute John Doe and Richard Roe.¹⁶

I acknowledge this action and suffer Judgment therein for the sum of thirty seven pounds four shillings and three pence. As Witness my hand This 23rd day of July 1823. Witnesses Ev. Evans.

5 July 1825 read before the Sale in my presence.

GRIFFITH GRIFFITH.

The Tithes of Hay and Corn arising and now growing in the Parish of Llanbeder Newborough in the County of Anglesey by way of Demise for a term or Number of Years, on the 4th. day of July 1825 from the first day of June 1825.

That the highest of three or more bidders shall be the taker or Tenant for the said term or number of years, and if any dispute shall arise as to the biddings the Lot shall be put up again.

That the Reverend Henry Rowlands is to pay all the Taxes for the Tithes.

That the Rent at which each parcel shall be let, shall be payable by two equal payments in February and June next, and the taker or takers shall if required find sufficient Sureties for Payment of such Rent when due as aforesaid.

That the proprietor of the said Tithes shall and willast his own Expencc execute a Demise or Lease of each parcel to the taker or takers thereof respectively subject to the foregoing Conditions.

That the Owner or proprietor of the said Tithes shall be st Liberty to bid once for each Lot or parcel and at such time as he shall think proper as Owner thereof according to the Statute in such case made and provided.

___ do hereby agree to become the taker of Parcel ___ for one Year at or for the Sum of ___ subject to the foregoing Conditions. As Witness my hand this ___ Day of 18__.

Payment in kind had become such a fruitful source of friction that many parishes or individual payers gradually arranged with tithe owners to pay a sum of money as substitution for one-tenth of their produce. In 1836 the “Tithe Commutation Act” was passed, enacting that *all* agricultural tithes were to be commuted into money payments, to be called “a rent-charge in lieu of tithes”. To make the commutation the average money value of the tithes in each parish for the previous seven years was

ascertained and divided into three equal parts. It was next ascertained how many bushels of each of the three principal grains - wheat, barley and oats - each of these three parts respectively would purchase at the average prices of the last seven years. That number of bushels of each of these three grains was to be the tithe of that parish for all future years.

The prices at which the corn was to be reckoned each year were to be the average prices of the previous seven years, and these average prices in 1836 were as follow :-

	s.	d.
Wheat	7	0¼ per bushel.
Barley	3	11½
Oats	2	9

Thus each £100 of tithe was, and is still, represented by

95	bushels of	wheat (omitting decimals).
168	“	barley.
242	“	oats.

This arrangement was come to partly because it was believed that the value of corn was less liable to fluctuate than the value of money, and partly because the produce of the land was corn rather than money. The full text, of the Apportionment of the Rent Charge in lieu of Tithes in Newborough is as follows :-

¹⁹Apportionment of the Rent Charge in lieu of Tithes in the Parish of Newborough in the County of Anglesey. Whereas An Award of Rent Charge in lieu of Tithes in the Parish of Newborough in the County of Anglesey was, on the twenty eighth Day of February in the Year One Thousand Eight Hundred and Forty five, confirmed by the Tithe Commissioners for England and Wales, of which Award with the Schedule therein comprised, the following is a Copy:-

KNOW ALL MEN BY THESE PRESENTS that I Aneurin Owen having been duly appointed and sworn an Assistant Tithe Commissioner according to the provisions of the Act for the commutation of Tithes in England and Wales and having been also duly appointed to ascertain and award the sums to be paid by way of Rent-charges instead of the Tithes of the Parish of Newborough in the County of Anglesey Do Hereby award as follows that is to say

WHEREAS I have held a meeting in the said Parish touching the matter aforesaid of which meeting due notice was given for the information of the Landowners and Tithe owners of the said Parish.

AND whereas due notice was given to me in the manner prescribed by the said Act that the clear average payments instead of the Tithes of the said Parish during the seven years preceding Christmas in the year one thousand eight hundred and thirty five would not fairly represent the sum which ought to be the basis of a permanent commutation of the said Tithes.

AND whereas I have duly considered all the allegations and proofs tendered to me touching the matter of the said notice and have myself made all enquiries which appeared to me to be necessary before awarding the Rent-charges hereinafter mentioned.

AND whereas I find that the estimated quantity in Statute measure of all the lands of the said Parish amounts to Four thousand one hundred and fifty Acres which are cultivated or used as follows that is to say,

One thousand one hundred and seventy two Acres as Arable land.

One thousand four hundred and fifty three Acres as meadow and Pasture land.

One thousand two hundred and sixty eight Acres are Sands. And two hundred and fifty seven Acres are Roads and Waste.

AND whereas I find that the undermentioned customary payments are pairable throughout the said Parish that is to say

Three halfpence for each Milch Cow and One penny for each Milch Heifer in lieu of Tithes of Milk and Calves.

Four pence for each Brood Mare in lieu of Tithes of Foals.

AND whereas I find that the Clerk of the said Parish is entitled to dues called Bell sheaves being one sheaf of each kind of Corn and Grain grown upon each tenement throughout the said Parish.

AND whereas I find that all other Tithes and customary payments arising and accruing within the said Parish belong to the Rector thereof.

NOW KNOW YE that I the said Aneurin Owen do hereby award that the annual sum of Ten Pounds by way of Rent charge subject to the provisions of the said Act shall be paid to the Clerk of the said Parish for the time being instead of the dues called Bell sheaves arising throughout the said Parish.

THAT the annual sum of Two hundred and fifty Pounds by way of Rent charge subject to the provisions of the said Act shall be paid to the Rector of the said Parish for the time being instead of all other Tithes and customary payments arising and accruing within the said Parish.

AND I do hereby further award that the said Rent charges shall commence from the first day of July preceding the confirmation of the Apportionment thereof.

IN TESTIMONY whereof I the said Aneurin Owen have hereunto set my hand this twentieth day of February one thousand eight hundred and forty five.

Signed
ANEURIN OWEN.
